HIGHEST SCANDAL IN HISTORY

Activities of "Salesmen" Approved by Harding and "Blessed" by National Chairman Hays.

[By Associated Press.]

PITTSBURGH, August 26.—Information to support his charges that Republican campaign fund exceeding \$15,000,000 was being raised "in an conspiracy to buy the presidency" was presented by Governor Cox, of Ohio, Democratic presidential candidate, in addressing a public meeting here tonight, and, contrary to a previous announcement, the Governor declared that he would submit the whole of the evidence to the Senate investigating committee.

Governor Cox's data consisted almost entirely of matter taken from the official bulletin of Fred W. Upham, of Chicago, treasurer of the Republican National Committee, but his chief exhibit was a typewritten list purporting to show Republican campaign contributions imposed on fifty-one principal cities in twenty-seven States and aggregating \$3,145,000.

Ordered Names Kept Secret. Names of local subscribers, Governor Cox said, were ordered kept secret. These quotas, given at \$2,000 for New York City, \$750,000 for Chicago, \$500,000 for Philadelphia, and ranging down to \$25,000 for smaller cities like Albany, N. Y., and Atlanta, Ga., were said by Governor Cox to have been announced about the middle of July.

The Senator, Harding, his Republican opponent, was acquainted with the details of the quota plan, and that it was also approved by Will H. Hays, chairman of the Republican National Committee, was charged by the Democratic candidate.

The subsequent release of the official bulletin, Governor Cox quoted many reports from Republican workers throughout the country, representing the drive for funds as going "over the top" and in excess of the alleged quotas.

Estimated of the \$3,145,000 metropolitan quotas, Governor Cox said, was made by Harry M. Blair, an assistant to Treasurer Upham.

Received Hays' "Blessings." A meeting was held in Chicago, Governor Cox said, at which Will H. Hays, chairman of the Republican National Committee, spoke his "blessings."

The Governor charged that typewritten sheets bearing the fifty-one cities' quotas were "distributed to those assembled" and he produced one of the alleged quota lists, but did not state what evidence he was acquiring. The quota plan, he said, was carried out like that of the Liberty loan campaigns.

That the reputed attempt to raise \$3,145,000 from fifty-one cities in twenty-seven of the forty-eight States is false, where the total national fund will be much larger, was declared by Governor Cox, who said big business men were prominent on the Republican ways and means committee, and that the raising of funds was on a business "salesmanship" basis.

Governor Cox also quoted from statements in the Republican Bulletin that State and county organizations were not to be "disturbed or retarded in their activities."

Calling attention to Chairman Hays' statement that \$3,000,000 was being raised, Governor Cox said that yesterday's papers carried a statement from Treasurer Upham that the Republican total would be about \$7,500,000.

"From the evidence which we shall submit," Governor Cox added, "I think you will agree that we are justified in multiplying Mr. Upham's figures by two."

Another Home Campaign. Governor Cox, standing staunchly by his charges that an attempt to purchase the presidency was being made, declared that the Senatorial campaign and the friends are harking back to the days of Mark Hanna, stating that in the 1896 campaign which Mr. Hanna managed, \$18,500,000 was spent.

"It was this foul thing," said Governor Cox, "which Theodore Roosevelt

WATCH CHAIN ONLY CLUE TO PALISADES MURDERER

Police Find Jewelry Clutched Tightly in Dead Hand of Mrs. Blanche Schulz.

HUSBAND IDENTIFIES BODY

Tracers Are Sent Out Broadcast Working on Single Bit of Evidence as to Slayer of Woman at Grantwood.

[By Associated Press.]

GRANTWOOD, N. J., August 26.—A man's gold watch chain, clutched in the dead hand of 26-year-old Mrs. Blanche Schulz, former burlesque actress and wife of a New York car conductor, furnished the clue to the newest palisades murder.

Identification of Mrs. Schulz's body today and the fatal shooting in Bergen County authorities believe she probably had been strangled, attacked near the Hackensack River yesterday, and then killed by cutting her throat, brought clear into view the movements of Frank Schulz, her husband, last Saturday night, when the woman is believed to have met death.

Do Not Suspect Schulz. Later in the day the police announced that no suspicion was attached to Schulz, and inquiry into the owner of the watch chain, the single bit of material evidence which promises hope for identification of the murderer. It is complete, even the solid bar to a watch and a label button hole, the police announced.

Questioning Schulz today brought out statements that he had given his wife nearly \$600 last week—\$200 from a postal savings bank and \$400 from her savings—and that she presumably had started Saturday morning for Keyport, N. J., where she and her husband intended going for a visit to relatives.

Schulz expressed willingness to tell whatever he knew concerning his wife, both in New York and here. He could not say where Mrs. Schulz had put a \$1,000 revenue stamp made out for her several months ago, but he said he believed he had been named beneficiary in it. No significance was attached to this.

Husband Views Body. Mrs. Schulz lived on East One Hundred and Thirty-fifth Street, Manhattan. The identification was made by the woman's husband, Frank Schulz, who viewed the body at a Hackensack morgue.

Schulz, who is an employee of the Interborough Rapid Transit Company, immediately identified the clothing worn by the dead woman. He would not look at the body, but told the police that his wife had a mole on her back, which they found as described.

Mrs. Schulz, according to her husband, (Continued on Fourth Page.)

[By Associated Press.]

LONDON, August 27.—Munitions and hydro-airplane valued at nearly \$2,000,000, which recently were confiscated by the entente commission in the Pinateche works on the Speer River, were destroyed this evening by the 3,000 employees of the plant, many of whom are Communists, says a Berlin dispatch to the London Times.

The Reichswehr was summoned out, but proved powerless to act. The government is sending representatives to the scene.

POSSE KILLS NEGRO WHO SHOT DOWN HALIFAX MAN

Leslie Allen, of Alabama, Pays With Life for Wounding James Baptist.

INSULTS TWO WHITE GIRLS

Bloodhounds Trained Negro to Farm House Near Virginia—His Body Riddled as He Lay Hidden in Bed Quilts.

(Special to The Times-Dispatch.)

DANVILLE, VA., August 26.—Leslie Allen, 22, a negro from Alabama, was shot to death by an armed posse this morning at 9:30 o'clock near Virginia.

He paid with his life for shooting and wounding James Baptist, a wealthy Halifax County farmer, at Buffalo Station yesterday, after the white man had been sent to arrest the negro for an insult to two little white girls in the hotel property. Baptist is in Halifax Hospital at South Boston, where he was taken in an automobile and is said to have recovered as the result of the chest that he had been deflected by a rib and had not punctured the lung.

Allen, before being shot to pieces, shot and wounded Mason Elam, brother-in-law of Baptist, after he had been cornered in a negro hut two miles from Virginia, in Mecklenburg County. The remains were taken back to Buffalo and turned over to the sheriff.

Cursed Girls in Hotel. Allen was employed two weeks ago as a porter at the Buffalo Hotel and previously been a chauffeur for a man named Park on a road near Petersburg. Yesterday evening two little girls who set up ten pins on the hotel grounds were closing up the alley when the negro appeared, they alleged, and demanded that they set the pins as he wanted to roll. When he had done so, they said to have addressed highly objectionable remarks and to have cursed the white race.

One of the girls reported the matter. (Continued on Fourth Page.)

Will Days Be Struck Dumb. NEW YORK, August 26.—After reading Governor Cox's Pittsburgh speech, which the Democratic presidential candidate declared he was of opinion that "sinister influences had contributed millions to buy an underdog on the presidency," Will H. Hays, chairman of the Republican National Committee, said he had no comment to make.

AMENDMENT GIVES BALLOT TO WOMEN OF UNITED STATES

Secretary of State Signs Historic Document Without Any Ceremony.

AFFIXES SIGNATURE AT HIS HOME IN EARLY MORNING

Suffrage Workers Are Plainly Disappointed at Complete Lack of Pomp.

CHOSE SETTING PURPOSELY

Desired to Avoid Lament to Prevent Possible Factional Feeling Among Women.

[By Associated Press.]

WASHINGTON, August 26.—Without pomp or ceremony, Secretary Colby today signed the proclamation declaring the woman suffrage amendment "to all intents and purposes a part of the Constitution of the United States."

The secretary's signature was affixed to the proclamation at his home at 8 o'clock this morning, a few hours after he had received from Governor Roberts, of Tennessee, the certificate that final favorable action on the amendment had been taken by the Legislature of that State, completing the required thirty-six.

Have Jubilant Ceremonies. The quiet manner in which Mr. Colby acted was a disappointment to some suffrage workers, who had hoped to make a ceremony of his act, but they contented themselves with their own jubilant ceremonies, including a mass-meeting here tonight.

They united in statements that with the secretary's action nothing now can be done to prevent the women from voting in November.

The seal of the United States has been duly affixed to the certificate and the suffrage amendment is now the nineteenth amendment to the Constitution. Secretary Colby announced on reaching his office two hours after the proclamation. Later Mr. Colby said informally that he believed the ratification had been completed when the thirty-sixth State Legislature approved the amendment, and that his action was only a simple, solemn announcement of the fact.

A desire to avoid the lament, and to prevent arousing of possible factional feeling among suffrage workers as to who should be present prompted the quiet setting for the signing, Mr. Colby explained, also that "his only purpose was to pursue a simple duty."

Awakened at 3:45 O'clock.

Mr. Colby was awakened at 3:45 o'clock this morning by Charles L. Cook, a State Department employee, who notified him that the Tennessee certification had arrived. The secretary (Continued on Second Page.)

Romanes Has Happy Culmination.

A romance that began during the world war culminated happily when W. H. Day, of the Balkan Mission, wed a Minnesota girl in Paris recently. Captain Day's bride was a Red Cross nurse and first met him in Roumania, where he was serving as a member of the Red Cross mission to the Balkans. A letter received from Constantinople stated that the newlyweds would soon return to America and, probably, to Richmond. Captain Day was formerly secretary to Colonel Henry W. Anderson. He was one of the prime movers in introducing soccer football into this city, and is widely known in athletic circles here.

Mayor Calls Upon All to Pull Together for a Bigger, Better and More Beautiful City

"Without a boom of any nature, with no extraordinary development in any one line of business such as was experienced at Akron, Ohio, through the tire industry, in fact without any of the mushroom room expansion that occurred as a result of war activities in so many places, Richmond has achieved the greatest numerical increase since 1910 that has ever been known in her history. Polish Commissioners Decline to Treat Until Assured of Communication With Warsaw.

[By Associated Press.]

WARSAW, August 26.—The northern Polish army is continuing to move up in the region between Sierp and Soldau near the East Prussian border and are marching on Chorzeln, to the east of Mlaw, to cut off the retreat of the remaining Soviet forces.

In the center the Poles have occupied Ostrolenka and Stawiski, as well as Kolno, and are marching on Osewiec. In the south the Poles have retaken Hrubieszow and the Sixtieth Bolshevik Division around Lemberg is retreating to the southeast.

The fourth Bolshevik army, which were cut off by the Polish advance in the region of Kolno, have succeeded in cutting their way through to the eastward after a battle lasting ten hours, according to an official statement issued here.

The Soviet troops carried out a regrouping maneuver and succeeded in making their way out of the trap which had closed upon them, but at last accounts were surrounded by more numerous forces of the fourth Polish army.

The fifth Polish army continues its work of rounding up detachments of Bolsheviks in the region west of the railroad running from Modlin to Mlaw.

On the central front the Poles have carried out a flanking movement to the north, and have occupied Knysszyn, fifteen miles northwest of Bialystok, and Stawiski, twelve miles northeast of Lomza. Occupation of these towns, with the capture of Kolno, completes the work of forcing a ring around the Fifteenth Bolshevik Army.

Other Soviet forces have reassembled at various places and are making repeated attacks in their attempts to break the Polish cordon. Nine attacks were made in the region of Kolno yesterday, but all are said to have been repulsed with enormous losses. Among the captives is the commander of a Bolshevik division.

In the maneuver which resulted in the occupation of Lomza, the Poles took more than 2,000 prisoners and (Continued on Third Page.)

Census of 1920 Places Richmond in the Proud Position of Fourth City of South and 37th Largest City in United States

Richmond is now the fourth city of the South, and thirty-seventh largest in the country, according to the government census figures for 1920. The following table gives the figures for the principal cities of the South and shows the growth of Richmond by decades since 1790:

City.	Pop.	Increase	Census	Year.	Pop.	Increase	P.C.
New Orleans	287,408	14.3	1790	3,701	1800	5,747	20.5
Atlanta	200,516	29.6	1800	12,007	1810	9,735	80.7
Birmingham	175,270	34.4	1820	12,907	1830	16,550	33.1
Richmond	171,667	34.5	1840	20,153	1850	27,570	36.8
Memphis	162,351	23.8	1860	37,910	1870	51,000	34.6
San Antonio	161,308	67.	1880	45,000	1890	81,388	28.
Dallas	158,976	72.6	1900	85,050	1910	127,628	50.1
Savannah	118,542	7.2	1920	171,667			34.5
Norfolk	115,777	71.6					
Portsmouth	54,387	63.9					

The census of 1920 gives to Norfolk and Portsmouth combined a population of 170,164, thus the two cities combined have 1,503 fewer people than reside in the corporate limits of Richmond.

LORD MAYOR'S DEATH TO START REIGN OF TERROR

Will Be Signal for Greatest Campaign of Reprisals in History of Ireland.

IRISH FEELING IS INTENSE

When MacSwiney Dies, and It Seems Only a Matter of Hours, Sinn Fein Threatens Vengeance Against Those Responsible.

BY FORBES W. FAIRBAIN.

LONDON, August 26.—The death of Lord Mayor MacSwiney, of Cork, in Brixton prison, now only a matter of hours, will be the signal for the greatest campaign of reprisals in the history of Ireland.

The intense feeling throughout Southern Ireland over what is termed "MacSwiney's martyrdom" is certain to result in tremendous reaction, and Irishmen here predict that the men of the civil and military government, whom Sinn Fein declares are responsible for MacSwiney's death, will be shot.

"I thought," said Arthur O'Brien, head of the Sinn Fein in London, "that the telegram of the King saying the matter would receive immediate and careful attention was to be taken as the way out of a nasty mess, but now I am convinced that Premier Lloyd George is adamant."

The Mayor's death will be the greatest blow possible to England as well as Ireland.

O'Brien declared that the economic boycott against Belfast now in effect as a reprisal against Belfast will be intensified to a maximum degree.

This, he says, will result in the ruin of Belfast and the stagnation of Belfast industry. The Irish peace conference committee of Dublin today telegraphed King George asking him to exercise the royal prerogative and release the Lord Mayor.

CITY TAKES PROUD PLACE AS FOURTH CITY OF SOUTH

Passes Memphis by Gaining 9,000 Over Its Tennessee Rival.

BIGGER THAN NORFOLK AND PORTSMOUTH UNITED

Forging Ahead of Other Municipalities, Takes Rank of 37th in Nation.

INCREASE OF 34.5 PER CENT

Credit for Splendid Showing Due to Chamber of Commerce, Mayor and Police.

[Special to The Times-Dispatch.]

WASHINGTON, August 26.—The Census Bureau yesterday announced that Richmond's official population in the Federal census of 1920 is 171,667, a numerical increase of 44,039 over the figures of a decade ago, 127,628, an increase of 34.5 per cent.

This is the largest numerical increase the city has ever recorded in its history.

New Orleans, Atlanta and Birmingham are the only Southern cities of greater size than Richmond today.

At the same time the population of Danville, Va., was announced as 21,539, a numerical increase of 2,519, or a growth of 13.2 per cent since the last census.

By passing Memphis, which was the fourth largest city of the Southern States ten years ago, Richmond takes a firm grip on fourth place in the South, with a lead of more than 9,000 over its Tennessee rival. Other cities which Richmond has displaced in the latest census returns are Savannah, Pa., Syracuse, N. Y., and New Haven, Conn.

While achieving these advances Omaha, Neb., and Akron, Ohio, the home of ever-growing automobile industries, slipped past the capital of the Old Dominion, so that Richmond's gain in the national list of cities of the first class, or over 100,000, of which there are now sixty-eight in all, owing to the admission of North, Texas, to this class this year, is three notches. She is now thirty-seventh in rank, while she was thirty-ninth ten years ago.
